Just Do It

Have you ever thought of the Bible as boring or overwhelming? NOT ANY MORE!!! Our life group will put together a framework of information before you read a chapter or book to help you understand its meaning. In the process, the big picture of God's Word will be revealed and you will develop a daily Bible reading habit that will bring excitement to your everyday life. In addition, many mysteries will be revealed, particularly in Old Testament Scripture. Come and join us as we use all of God's Word to complete a picture of what God wants for our lives.

Ladies you know what we mean when we say "we just wanna be". Just be who God created us to be; just be with someone/other women who understand where we are at and where we have been; just be free to have NO AGENDA a couple times a month. If this is the opportunity you have been searching for, then come join us. We would love to "Just B" with You.
